

Raising Money for Breast Cancer

Positively Pink is a new organisation established here on the coast and is dedicated to raising money in order to fund the improvement and enhancement of medical treatment & to fund a support group for Breast Cancer patients in the Malaga Province, in particular the Marbella area. **Positively Pink** has been formed with the help of Lexland Abogodoa and DMA Legal, and has total legal status as a charity in Spain, **Positively Pink** has an independent Charity bank account and its charity number is G 92860477.

The decision to raise money in aid of Breast Cancer was originally taken by a group of ex-pat ladies here on the coast in the belief that the disease has touched almost everyone whether family, friend or work associates. We all know someone or have heard of someone who has gone through or is going through treatment for this dreadful disease.

Our aim is to raise sufficient funds to improve and enhance medical treatment by providing transportation taking patients to and from Malaga city centre. As we all know travelling into Malaga is not easy even for those who aren't ill. Obviously patients are unable to travel by themselves and unfortunately family members are not always available to help as treatment is on a daily basis for up to four weeks at a time. We also fund a support group for Breast Cancer patients in the Malaga

Province and in particular the Marbella area.

Last year Positively Pink so far has raised 72,000 euros from three events; a sponsored walk in May, a Golf day held during the summer and a Glamorous Pink Ball in October during Breast Cancer Awareness

Month. These events have now been confirmed to be held annually.

This year on the 3rd of May the charity held a WALK FOR LIFE sponsored walk and raised 5,000 euros. Many thanks to all involved. On the 4th of September there will be a charity golf day at La Noria in La Cala with an evening dinner and presentation at The Tamisa Golf Hotel.

The **Positively Pink Ball** will be held on the 6th of October and they're sure that, with your support, they will repeat the success of last year. All proceeds go to **Positively Pink** and Global Radio absorbs all admin fees.

The beautiful Oceano Hotel was the venue where Samantha Mairs visited for a photo shoot with the professional photographer Diane Sutton. Samantha was wearing designer clothing supplied by Fabio Espania Exclusive French Fashions.

Though it was a long hot day, the resulting photos were fabulous and made it all worth while. Samantha was delighted to be photographed wearing the tee shirt and cap helping to promote the **Positively Pink Charity**.
